DATE	**:**	**October 28, 2026**
SUBJECT	**:**	**Notice of Redundancy**

The management has undertaken a review of its current structure in its Enterprise Workforce Optimization (EWO) organization in October 2026 and is introducing a new structure which is an initiative that aims to ensure that the company's people, capabilities and capital are focused most effectively, both for service and growth. As part of this initiative and assessment of OGS Operations, the company is reviewing its organizational structure for the purpose of (1) optimizing its spans and layers, and (2) eliminating positions or services that are in excess of what is reasonably demanded by the actual requirements of the company to operate in an economical and efficient manner. The above business events impact the role of Assoc Software Engineer I in Enterprise Workforce Optimization (EWO). The role is being made redundant, as it exceeds the operational needs required for the company to function in an efficient and cost-effective manner.

In view of the foregoing, the Company would like to inform you that it has to terminate your employment effective **November 28, 2026** on the grounds of redundancy. You will be paid a separation pay equivalent to one (1) month salary for every year of service in accordance with law.

Prior to the effective date of the termination of your employment, you shall still receive your salary and other benefits due to you.

The Company will work with you in looking for vacant positions within the Company. If you are accepted to a vacant position prior to November 28, 2026 your termination will not take effect. On the other hand, if you are not accepted to a vacant position, your termination will take effect as indicated in this notice.

Thank you for your services, and we wish you luck in your future endeavors.
